

Early on Sunday 21st May 2017, 52 8055 worked light engine to Etwilen, to haul an Orient-Express- and a Teakbar-carriage back to Schaffhausen. In the mean time, 01 519 of the Eisenbahnfreunde Zollernbahn EFZ e.V. hauled a special from Rottweil to Schaffhausen, where the trains were combined. Whilst 01 519 took a rest, 52 8055 pulled the train via Bülach to Winterthur. The passengers from Rottweil took the opportunity to visit the steam centre (Dampfzentrum Winterthur). 52 8055 steamed with new passengers to Romanshorn. After a break of two hours the train continued its journey along the scenic Lake of Constance back to Winterthur and Schaffhausen. 01 519 brought its train back to Rottweil, while 52 8055 returned the luxury carriages to Etwilen.
